Please help us group your child in the correct swimming group by answering a question about your child's swimming and listening abilities. Please note that all children will be tested on their first day of swimming with us and the final decision of which group they belong in will be based on the skills they show. We will be testing throughout the summer as swimming skills improve. If at any time you have questions, please let staff know.

Any other comments about your child's swimming ability:
